

**NEWS LETTER – DECEMBER 2021**

With ease of pandemic in this period, Vidyadhaara Foundation has continued its initiatives blending online and offline modes. With the support of patrons and volunteers, our programs have reached many needy beneficiaries.

Academic activities at our Study centre:

1. Offline sessions of Science tuition with experiments have been taking place for about 7 students of 7<sup>th</sup> and 8<sup>th</sup> grades, along with other subjects.
2. We have been conducting Maths and Science sessions for 9<sup>th</sup> graders in the offline mode with teaching support by volunteers Mr. Andy and Mr. Sumit.
3. We arranged a spoken English course to students who are looking to develop their confidence and improve their employability. About 15 students completed the course.

Maths and Science engagement by Mr. Sumit and Mrs. Yamini

Academic activities as Govt. Primary School :

1. VF has been conducting Basic English course for children at Govt. Primary school – Doddanekkundi for a few years now. This year we have engaged a few enthusiastic young girls who are alumins of the same school, to teach English to kids of Grade 1 to 3 under the guidance of VF Volunteers. We trust this experience will give them an oppurtunity to explore teaching as a career.
2. With help of volunteers we have assisted students of 6<sup>th</sup> and 7<sup>th</sup> to prepare a science project proposal.
3. We have provided a supply of sanitisers.

Teachers in training

Teachers in class

Extra circular activities:

1. Around 20 students under the arm of VF were taken on a day excursion to Bannerghatta Zoo and to Art of Living centre.
2. Children had interaction with senior citizens at the Old age home unit of the Cheshire Homes.
3. Kids were amazed to see the animals being taken care at Goshala.
4. A visit to a Car service centre was arranged as part of Career Guidance session.
5. Students enjoyed a morning walk at the mini forest in Whitefield.

We are thankful to all our volunteers' help in conducting our planned initiatives. Also, we are indebted to all donors for their generous contribution in funding our undertakings.

We are optimistic on steering many more such initiatives that will enrich our students' experiences for a better future.

For any contributions, queries or concerns please feel free to reach out to us.

With warm Regards,  
Team Vidyadhaara
